Guidelines for Completing Immunization Record

North Carolina state law, N.C.G.S.§13055.1, mandates students attending a college or university, whether public or private to present a Certificate of Immunization or a record of an immunization from a high school. In general, the law requires to students who reside on campus or students residing affpus who are taking five (5) or more traditional day credit hours of campus per semester, must meet the North Carolina State Law Immunization requirements contained in the student heat form. Exceptions to this law include: students who have a bona fide documented medical or religious exemption; students reside off

Last Name First Name Middle Date of Birth (MM/DD/YYYY) Banner ID# (BID)

SECTION A REQUIRED IMMUNIZATIONS
